

# P1

Find the sum of NNs that are multiples of 3 and 5 but also less than 1000

```
In[ ]:= setOf3s = Range[3, 999, 3];  
        setOf5s = Range[5, 999, 5];  
        union3And5 = Union[setOf3s, setOf5s];  
        Total[union3And5]
```

```
Out[ ]:= 233 168
```
